Kadur District Fund Board President's Office
Chikmagalur 30th November 1899.

From The President of the District Fund Board of the Kadur District

To The Secretary to the Government of Mysore, Genl and Rev Depts

Sir,

A building has been constructed (out of the District Funds) at Kalasapur in the Chikmagalur Taluk on the high road from Chikmagalur to Banavar at a distance of about 14 miles from Chikmagalur. It is now called a Chavadi, but it has been built like an inspection lodge and has been provided with both European and native kitchens as also a stable. In fact it is in a fit state to be converted into a 3rd class Travellers bungalow. The officer in charge of the division having proposed at the District Fund meeting held on the 2nd November 1899 that that building should be converted into a 3rd class travellers bungalow a resolution was passed to the effect that the proposal should be submitted to Government for sanction. A copy of the resolution is enclosed. A caretaker has already been appointed for the building, so that the proposal involves no fresh expenditure, but on the contrary brings

in some revenue to the Board in the shape of fees. It may therefore be sanctioned

I have the honor to be
Sir,
Your most obedient Servant

President of the
District Fund Board
of the Kadur District
